

101 DALMATIAN KIDS MONOLOGUES

NARRATOR

Once upon a time, in a loving home near the park in London, there lived a Dalmatian family who had two lovely pets, Roger and Anita.

CRUELLA

What do you mean we have run out of fur?! We can't have run out of fur! My pattern calls for muff and boots! I want my matching muff and boots!

HORACE

Blimey Cruella! We've bought up every Dalmatian puppy in all of London. And there are not more for sale in a hundred miles from here.

PERDITA

Cruella de Vil has stolen our puppies! Oh, Pongo, do you think our pets will ever find them?

ROGER

The game is over Cruella. We are on to your evil schemes. Get her out of here!
