

Knight At Dawn Kids Monologues

ANNIE

There's the tree house. We're sorry to have caused so much trouble and that we didn't get to pass your test and help you on your quest.

BLACK KNIGHT

You protected the innocent. And you did it without sword or might.! You used your wits and of course, your heart. And this is the mark of true courage. Kneel please.

JACK

Keep your voice down. These big halls make big echoes Hey, maybe sneaking past those guards was our test? We haven't even *met* the Black Knight.

DUKE

Hmmm. What shall we have our minstrels sing? So many songs& so many subjects!

I know! How about a song about ME!
