

# DEAR EDWINA JR MONOLOGUES

## EDWINA

Hello everybody! Places for showtime! Am I talking to a wall here? I said PLACES! Kelli... can you please stay in line with everyone else? Lars, back in line! Kelli, watch Becky's head! And what are you staring at?

## BOBBY

Hi, I'm Bobby your new next-door neighbor. We just moved here from St. Louis..... (looks around bewildered) I just came to drop off the brownies from my mom. I heard there's a kid my age who lives here.

## SCOTT

As a courtesy to the performers we ask that no flash photography be used. And now, here's that advice giver extraordinaire... able to solve problems of all shapes, sizes and subject, and undisputed queen of my heart.... Here she comes, now, our own beautiful, wonderful DEAR EDWINA!
