

Peter Pan Jr Monologues

MRS.DARLING

I believe that while they sleep, our children receive an uninvited visitor. I think he comes through the window even though it is three floors up. Last week Nana had just returned from her evening out, and sprang at a strange boy, who simply leapt through the window.

PETER PAN

It was because I heard father and mother, talking about what I was to be when I became a man. I didn't want ever to be a man, I want always to be a little boy and to have fun. So, I ran away and lived a long time among the fairies.

HOOK

Peter flung my arm to a crocodile that happened to be passing by. It liked my arm so much, that it has followed me ever since, from sea to sea and from land to land, licking its lips for the rest of me.
