

Winnie the Pooh Kids Monologues

NARRATOR

Winnie the Pooh decided that if he knocked, maybe Christopher Robin would hear him.

The knocking made a note fall to the ground right at Pooh's feet. To your left.

(POOH looks to his right.)

No, Pooh, your other left.

Pooh was very puzzled by the note.

POOH

Hello there, Piglet. Say, Piglet, you haven't got any honey on you, have you?

No? I was just hoping you might have just a little bit. I have a note. It's a very puzzling note. Maybe you should take it to Rabbit. He's very good at puzzles.
