ALADDIN: Why would I steal a loaf of bread? Gee, I don't know. Hunger pains? Lightness of the head? Growling noises from the stomach? All of the above.

GENIE: Oy! Ten thousand years in a tin can will give you SUCH a crick in the neck! (*Cracks his neck*) Okay, that's better! C'mon kid, what's it gonna be? You must want something

JASMINE: Father, The guards arrested a boy in the marketplace today. On Jafar's orders. His name is Aladdin, you must release him.

IAGO: The Street Rat is now Prince Ali! Uh, You could say "Thanks" "That was brilliant" Aw, shucks, Boss, just doing my job.
