### THE VIRTUAL FAMILY

**DAD:** No! You know how I hate shopping online! There's so many choices, so many reviews, deals of the day, seller reviews, shipping restrictions—the list goes on and on and on. It'll take me weeks! (Sighs.) I'm doomed to finish this life with an analog toothbrush.

**GRANDMA:** Are you saying I don't know what I'm talking about? Are you suggesting, out of the blue, that your senile old grandma suddenly can't find her favorite computer card game? How out of it do you think your old grandma is? (*SON starts to answer but GRANDMA stops him.*) Never mind that! Will you just help me, please?
